

Service Excellence CELEBRATION

Join Us in Celebrating Customer Service Excellence

Please, help us identify and recognize CUSTOMER SERVICE EXCELLENCE in North Hastings.

We are looking for accounts of customer service excellence in the form of comments and stories. At the time of nomination, we'll recognize every business nominee with a "Customer Service Excellence Participant" notice to post in their establishment - like the one shown to the right.

In October, a business from North Hastings will be chosen as the grand prize winner from among the nominees and will receive the grand prize award, free advertising in the Destination Guide, a 'service excellence' logo to insert in future advertising and unchallenged bragging rights!

Every nominator will have their name put in a prize draw (\$50 value).

To learn more or find out how you can submit a nomination visit www.community-futures.ca and click on the 'Service Excellence Celebration' link, or email excellence@community-futures.ca or call 1 (800) 465-4119.
